Some people just shine a little brighter to make life better for everyone around them. That's how you are. Your spirit lights the way for the rest of us to follow. Your kind heart and generous soul show us how a life should be lived. Don't ever forget how important you are and how loved. Thank you for your concerns with all aspects of Glenn's Care. He enjoys your sense of humor & the good care he is receiving. Thank You from the bottom of our hearts.

*Sincerely, Bonne & Bob*
